

Chimiver's green footprint doesn't stop

Do you know that...

we have achieved another important goal, with a view to a style of “responsible” corporate organization aimed to protect the environment?

by *Chimiver Staff*
R&D - SALES TEAM - MARKETING

We awarded the environmental certification “Plastic Second Life”

EUROPEAN labelling introducing the concept of “quality” and “traceability” in recycled plastics by enhancing a waste, plastic, which must be considered one primary resource of our planet

This logo will appear on the Component A adhesives packaging

The percentage of recycled plastic varies according to the manufacturing processes
