

# CLEAN PADEL

**Intensive alkaline concentrated cleaner for padel courts**

\* Pack 1L

## Description

CLEAN PADEL is an intensive concentrated alkaline cleaner suitable for cleaning all padel courts both indoor and outdoor. Thanks to its special formulation containing tea tree, acts effectively and quickly on the surface. CLEAN PADEL is prepared using special nanoparticles that ensure an intensive and thorough cleaning. Its special formulation contains three essences unwelcome to insects: it cleanses and refreshes the treated surface leaving a fresh and pleasant scent of citrus, lemon and eucalyptus.

## Characteristics

Application	spray / hand-held sprayer
Thinning (if necessary)	Water
Coverage	1 L / 70 m <sup>2</sup> (ready to use) - dispenser 1L/200 m <sup>2</sup>
Packaging	1 L - 5 L
Storage stability	1 year <sup>(1)</sup>

1 in original sealed containers at temperatures between +10°C and +25°C

## How to use

Shake the product well before use.

Intensive action:

Dilute 1L of product in 4L of water. Spread the solution over the entire surface with a suitable nebulizer. Leave to act. No need to rinse.

Cleaning action:

Dilute 1L of product in 4 L of water. Spread the solution over the entire surface with a suitable nebulizer. Leave to act for a few minutes and brush with appropriate equipment.

For intensive cleaning, increase the concentration to: 2L of product in 4L of water. It is recommended to rinse with water. 90% biodegradability.

Application mixer dispenser:

Fit the transparent pipe in the dispenser and insert the water pipe in the latter. Screw the bottle to the dispenser and turn the lever clockwise for opening. "Mixer dispenser" is ready for operation; then open the water tap and spread evenly over the entire surface.

## Warnings

Keep out of children's reach. If medical advice needed, have product container or label at hand.
