

VELUREX Polish WT

Water-based maintenance wax for wooden floors

Description

VELUREX POLISH WT is a water-based emulsion of waxes. It is developed for the maintenance of lacquered wooden floors, rubber floors, vinyl floors, linoleum, marble, resins, etc. (not good for maintenance of oiled wooden floors or not-absorbent building materials). The product gives to the floor anti-slip properties and very good antistatic characteristics. It nourishes and restores at the same time, leaving a pleasant fragrance in the ambient.

Characteristics

Application temperature	+10°C ÷ +25°C
Application	cloth
Thinning	water
Coverage	1 L / 70 m ²
Storage stability	1 year ⁽¹⁾
Packaging	1 L - 5 L - 10 L - 25 L
Tool cleaning	Water

1 in original sealed containers at temperatures between +10°C and +25°C
